  - **Password Recovery:** Locked out? Dial **1-877-850-0361** to get help recovering your login details safely.
- 

## How to Prepare Before Calling 1-877-850-0361

To get the most out of your support call, be sure to prepare:

- Your QuickBooks Payroll version and license number
- Your computer's operating system and specifications
- A clear description of the issue, including any error messages
- Details about recent updates or changes that may be related
- Access to your QuickBooks Payroll account or dashboard

Having this information ready when you call **1-877-850-0361** helps the support agent diagnose and resolve your issue more efficiently.

---

## Other Ways to Get QuickBooks Payroll Support

In addition to calling **1-877-850-0361**, QuickBooks users have access to other support channels:

- **Live Chat:** QuickBooks website offers live chat support for certain payroll queries.
- **Help Articles:** Access the QuickBooks online help center for guides and tutorials.
- **Community Forums:** Engage with other QuickBooks users and experts for tips and advice.
- **Callback Requests:** Schedule a callback from support agents through your QuickBooks dashboard.

However, for urgent or complex payroll issues, calling **1-877-850-0361** remains the fastest and most reliable way to get help.
