

1-866-829-1086 Southwest Airlines Colombo Office

There is *no official Southwest Airlines office* located in Colombo, Sri Lanka.

Southwest Airlines is an American airline headquartered in **Dallas, Texas**, and it does **not maintain a staffed local ticketing or corporate office anywhere in Sri Lanka**, including in Colombo or at **Bandaranaike International Airport (CMB)**. Its reservations, customer service, and travel support are handled through official global channels (website, app, call centers), not local offices abroad. ([Wikipedia](#))

What This Means

- **No Southwest Airlines Colombo office exists** — neither a corporate office nor an official ticketing/sales location in the city.
- Listings that mention an airline contact in Katunayake (near Colombo) are typically related to **airport general contact info** — not a Southwest office. The telephone numbers like “197 33 2424” are general airport info lines, not Southwest Airline support contacts. ([MakeMyTrip UAE](#))

How to Contact Southwest from Sri Lanka

If you need to reach Southwest Airlines while in Colombo or elsewhere:

Official Southwest Customer Service Options

- **Online:** Use the official Southwest Airlines website to manage reservations, get support, or use live chat.
- **Phone (U.S. Contact):** You can call the official Southwest customer service line (e.g., +1-800-435-9792 or other international contact numbers found on [southwest.com](#)). International calling charges may apply. ([Wikipedia](#))

 **Note:** For travel planning or booking flights, many travelers use online support or official Southwest numbers rather than visiting an office in person — because there simply isn't one in Colombo.
