## **Tips**

- The main **corporate headquarters** of Qatar Airways is in **Doha, Qatar** (not Luxembourg), so for wider support you can also use their global customer service channels on the official website. ([airlinesofficedesk.com](http://airlinesofficedesk.com))
- If you need specific help with reservations, cancellations, or Privilege Club issues, using the phone or their official online support/live chat via [www.qatarairways.com](http://www.qatarairways.com) is often quickest.
