

1-866-738-0706 Qatar Airways Orlando Office

Qatar Airways does not appear to maintain a standalone commercial city sales office with a specific street address publicly listed for Orlando; instead, support for passengers in the Orlando area is generally tied to its operations at **Orlando International Airport (MCO)** and through Qatar Airways' wider customer service channels. Orlando Airport (MCO) – Qatar Airways Presence

Most traveler support for Qatar Airways in Orlando is handled through its **airport ticketing and service counters at Qatar Airways**, where staff assist with check-in, boarding, baggage, flight status, and related needs on the day of travel. These counters are located within **Terminal 8 at Orlando International Airport (1 Jeff Fuqua Blvd, Orlando, FL 32827)**, and they operate in line with Qatar Airways' flight schedules. ([Book Ticket](#))

- **Airport contact number:** +1 407-825-2001 — general phone for the airport and Qatar Airways desk support at MCO. ([Book Ticket](#))
- **Airport ticket counters:** Located in **Terminal 8**, open around the times of Qatar Airways arrivals/departures. ([Book Ticket](#))

While there's no verified *official* city sales office address published for Orlando, many travel office directories reference the general *Orlando, Florida* location and suggest calling the airport desk or using direct customer support channels for assistance.

Customer Support & Reservations (USA)

For booking flights, changing reservations, cancellations, baggage policy questions, and other travel support that isn't specifically tied to the airport counter, Qatar Airways recommends using its **U.S. customer care lines**:

- **Main U.S. customer support number (24/7):** +1 877-777-2827 — connects you to Qatar Airways' United States support team. ([USA Customer Care](#))
- **Alternative U.S. support/reservations numbers:** Channels such as +1-888-344-0588 or other regional toll-free U.S. contacts may be available (check Qatar Airways' official Help page for the most current listings). ([NISS](#))
- **Email for general inquiries:** infodesk@qatarairways.com (used for customer questions when not contacting by phone). ([wwwairofficesguides.com](#))
- **Official website:** <https://www.qatarairways.com/> — use "Manage Booking" or Help tools for flight changes and support. ([wwwairofficesguides.com](#))

Services Typically Available Through the Orlando Presence

At the **airport counter at Orlando International Airport**, Qatar Airways staff help with:

- Check-in and boarding pass issuance. ([Book Ticket](#))
- Baggage drop, lost/delayed baggage guidance, and policy info. ([Book Ticket](#))
- Flight status updates and immediate travel-day assistance. ([Book Ticket](#))

For **reservations, changes, ticketing, cancellations**, and **Privilege Club / loyalty enquiries**, it's generally most effective to call the **U.S. customer support number** or use online tools on the official Qatar Airways website rather than expecting in-person office service in Orlando itself.
