## **Qatar Airways Does Not Maintain a Dedicated Commercial City Office in Ottawa**

At present, there is **no widely documented standalone Qatar Airways office with a specific street address and local customer service desk in Ottawa** similar to other major cities. Publicly available information and official airline contacts focus on customer service **phone/email support** and airport operations rather than a physical city sales office in Ottawa. Instead, passengers in Ottawa typically use Qatar Airways' **Canadian reservation centre contact details** or visit an airport counter on travel day for direct in-person assistance.

### **Canada Reservations / Customer Contact Numbers:**

- For flight reservations, changes, cancellations, and general customer service, Qatar Airways lists **+1-888-366-5666** as a Canadian contact number for reservations and support. ([flightbookingoffice.com](http://flightbookingoffice.com))

- Alternative customer service numbers used for Canada support include **+1-866-558-7496** and regional toll-free numbers for speaking with an agent. ([Qatar Airways Help Center](#))

### **Email Contact:**

- Official customer support email such as **support@qatarairways.com** or the "Manage Booking" and Help channels on Qatar Airways' official website are commonly used for non-urgent inquiries. You can also use the online Help/Contact form on the Qatar Airways site to request callbacks or connect via live chat. ([qatarairways.com](http://qatarairways.com))

### **Airport Support:**

If you're travelling from **Ottawa Macdonald-Cartier International Airport (YOW)**, Qatar Airways flights typically use partner connections (e.g., via US or European hubs), and airline agents at the airport can assist with **check-in, boarding passes, baggage drop, and on-the-day travel support** when flights are scheduled. The airport's general information line is **+1-613-248-2111**. (Ottawa airport contact, publicly available)

### **Consular Support Alternative:**

Although not an airline office, the **Embassy of Qatar** is located at **150 Metcalfe St #800, Ottawa, ON K2P 1P1, Canada**. The embassy can assist with **visa/consular services** related to travel and entry requirements for Qatar but does **not** handle Qatar Airways reservations or ticketing.
