

# 1-866-738-0706 Qatar Airways San José Office

## Office / Location:

The Qatar Airways presence associated with San José is linked to its operations at **San Jose Mineta International Airport (SJC)** at **1701 Airport Boulevard, San Jose, CA 95110, United States**. This is where Qatar Airways flight counters and staff serve passengers on the ground since there isn't a prominently listed standalone city office address in central San José separate from the airport operations. ([www.locationoffices.com](http://www.locationoffices.com))

## Airport Counter Contact (San José):

- **San Jose Mineta International Airport main number:** +1-408-392-3600 — this line connects you with airport services, including inquiries about Qatar Airways flights at SJC. ([MakeMyTrip UAE](http://www.makemytrip.ae))
- **Qatar Airways customer support (US):** A common customer service line used across the United States for booking and support is **1-877-777-2827**, available 24/7 for reservations, ticket changes, flight info, and general assistance. ([Airport Terminal Map](http://www.exploreairinfo.com))

## Email:

A general airline contact email used for queries is **dqinfo@qatarairways.com.qa** — useful if you want to send travel questions or documents for support. ([www.exploreairinfo.com](http://www.exploreairinfo.com))

## Hours & Services:

- **Airport ticketing and check-in counters:** Qatar Airways staff at San Jose Mineta International Airport typically operate according to the airline's flight schedule and are available for **day-of-travel services** such as check-in, boarding passes, baggage support, and immediate assistance on travel days. Counters are generally open around the times flights arrive or depart, which can be **24-hour depending on SJC schedules** and Qatar Airways flight operations. ([Airport Terminal Map](http://www.exploreairinfo.com))
- **Booking & other assistance:** For reservations, cancellations, changes, or travel planning advice that isn't urgent on the travel day, it's often easier to use the dedicated US customer support line (**+1-877-777-2827**) or the airline's **official website** for "Manage Booking" tools. ([Airport Terminal Map](http://www.exploreairinfo.com))

## What You Can Do at San José Airport Counters:

At the Qatar Airways desk within SJC, airline representatives can help with:

- Ticketing, reservations, and rebooking
- Flight check-in and boarding passes
- Baggage drop and baggage policy questions
- Flight status and schedule updates
- Special service requests (e.g., assistance, seating, meals)
- Immediate travel-day support and questions. ([www.exploreairinfo.com](http://www.exploreairinfo.com))

 **Tips Before You Go:**

- If you need **non-airport services** (like detailed itinerary changes or refunds), consider calling the airline's **US customer support number** or using the **Manage Booking** tool on the official site first. ([Airport Terminal Map](#))
- Confirm Qatar Airways' **flight times and counter hours** for SJC before departure, as airport operations can vary with schedule changes. ([Airport Terminal Map](#))

Would you like the **specific counter location within San Jose Mineta International Airport (e.g., terminal and desk number)** and directions on how to find it? (I can provide that too.)
