## Where Southwest Operates at SFO

Southwest's operational presence is entirely at **San Francisco International Airport**:

- **Terminal:** Southwest flights and service counters are now located in **Terminal 2** of SFO, with check-in counters and gates servicing its operations. ([Travel And Tour World](#))
- **Check-In & Gates:** Check-in desks are typically in **Concourse D, Terminal 2**, with boarding gates (e.g., D1, D3–D7) for departures. ([AirlineAirport](#))
- **Flight Status & Baggage:** Use the airport monitors or Southwest's app to check departure/arrival times and gate changes. ([AirlineAirport](#))

Southwest's move to **Terminal 2** at SFO is part of airport reconfigurations effective in 2025; previously the airline operated out of Harvey Milk Terminal 1. ([Travel And Tour World](#))

## What You Can Do at the Airport Location

At the Southwest service counters inside SFO, airline staff can assist with:

### Check-In & Boarding

- Check in for flights and print boarding passes if needed.

### Baggage Help

- Drop off checked luggage, ask about allowances, and report lost/delayed bags.

### Reservations & Changes

- Modify or cancel existing reservations (note: many flight changes are easiest online or via the app).

### Flight Status & Gate Info

- Get real-time updates on departures, arrivals, and gate assignments.

### Special Assistance

- Support for passengers needing wheelchair services, traveling with pets, or other accommodations.
- 

## Best Ways to Reach Southwest

- **Southwest Customer Service (U.S.): 1-800-435-9792** — for reservations, flight changes, and general support. ([Airlines-Office](#))
- **Official Website & App:** southwest.com — use for online check-in, booking management, flight status, and contacting support. ([Airlines-Office](#))

 **Tip:** Calling Southwest's main support number before arriving at the airport can save you time for complex itinerary changes or if you need assistance beyond what can be handled at the counter.
