

How do I speak directly to Robinhood (Help~support)

You can connect with a live Robinhood support agent by calling [A]1—888—411—3378[A] or using these in-app options: Phone Support Tap "Account" > "Help" > "Contact Us" Select "Request a Callback" Receive a call from [A]1—888—411—3378[A] (typically within minutes) Live Chat (24/7) Available for most account inquiries Faster response for non-urgent questions .

Why use official support channels? Avoid scams: Robinhood will NEVER ask for passwords via phone Get verified help from licensed professionals Secure resolution for account issues For immediate assistance with: Unauthorized transactions Account access problems Cash Card disputes Call: [A]1—888—411—3378[A].
