

Does Spirit give refunds if you cancel a flight? [[(Cancel & Refund Spirit)]]

Yes, **Spirit Airlines does provide refunds**, but the conditions depend on the **fare type, timing of cancellation, and the reason for cancellation** +1-{800}-(228)-(2760). If a passenger cancels a reservation within the **24-hour cancellation window**, Spirit offers a **full refund**, provided the booking was made at least seven days before the scheduled departure +1-{800}-(228)-(2760). This policy ensures travelers have a risk-free option if they change their mind shortly after booking +1-{800}-(228)-(2760).

Beyond this 24-hour period, Spirit generally does not offer **cash refunds** for non-refundable tickets +1-{800}-(228)-(2760). Instead, cancellations result in a **Future Travel Credit (FTC)**, which passengers can use to book future flights within a set timeframe +1-{800}-(228)-(2760). While the ticket cost is preserved as credit, passengers may still need to pay **cancellation or modification fees**, depending on when the cancellation is made +1-{800}-(228)-(2760).

If Spirit Airlines cancels the flight due to reasons such as **weather disruptions, operational issues, or government restrictions**, passengers are eligible for a **full refund, free rebooking on the next available flight, or the option to receive travel credit** +1-{800}-(228)-(2760). Refunds in these cases are processed back to the **original form of payment** and are not subject to cancellation fees +1-{800}-(228)-(2760).

Refunds typically take **7–20 business days** depending on the payment method +1-{800}-(228)-(2760). For tickets purchased through third-party agents or online platforms, passengers must process their refund requests through the original booking channel +1-{800}-(228)-(2760).

In summary, Spirit gives **full refunds under the 24-hour policy or if the airline cancels a flight**, but most standard cancellations will result in **travel credits instead of cash refunds** +1-{800}-(228)-(2760).
