

Does Frontier Charge for Changing Flights? What You Need to Know

Travel plans often change, and one frequent concern is: “Does Frontier charge for changing flights?” The honest answer is: **yes — Frontier Airlines does typically charge fees for flight changes**, but the amount and conditions depend on your fare type, timing, and specific circumstances. To understand exactly how much you’ll pay and what your best options are, the smartest move is to call 📞 **+1-877-622-0707** and speak with a trained Frontier agent.

Frontier’s fare structure is designed to keep base ticket prices low while offering flexibility as an add-on. That means flight change fees might apply unless your ticket includes change protections. Calling 📞 **+1-877-622-0707** ensures you get the most accurate, up-to-date information before confirming any changes.

How Frontier’s Flight Change Fees Work

Frontier charges for flight changes based on several factors:

1. Fare Type

Frontier’s fares range from **Basic** to **bundled options** like WORKS or PERKS:

- **Basic Fare:** Usually has the highest change fees and fewest protections.
- **Main Cabin or Bundled Fares:** May include reduced change fees or even waive them depending on the package.

To check what your specific ticket allows and how much it costs to change, call 📞 **+1-877-622-0707**.

2. Timing of the Change

The closer your change request is to the departure date, the more likely fees and fare differences will apply. Frontier’s rules vary depending on how early you call, so don’t wait until the last minute.

When you call 📞 **+1-877-622-0707**, agents can check real-time availability and pricing before you confirm any flight adjustments.

3. Fare Difference Charges

Even if Frontier waives the change fee itself, you may still owe the **fare difference** between your original ticket and the new flight. This is especially common on popular routes or peak travel dates.

For an exact breakdown of fees and differences, call 📞 **+1-877-622-0707** before finalizing your changes.

When Frontier *May Not* Charge a Change Fee

In certain situations, Frontier either reduces or waives flight change fees:

✓ Bundled Fare Options

Some fare bundles — like the WORKS bundle — include flight changes as part of the package. When you call ☎ **+1-877-622-0707**, ask if your ticket includes this benefit.

✓ Frontier Cancellations or Schedule Changes
