❓ Does Frontier Airlines Have a Senior Discount?

The Short Answer

No, Frontier Airlines does not currently offer a dedicated senior citizen discount.

Unlike some legacy airlines, Frontier does not have a specific fare category for passengers aged 60, 62, or 65+. There is no automatic age-based reduction applied at booking.

However, this does **not** mean seniors can't save money. Many travelers over 60 still find Frontier to be one of the most affordable airlines—especially when using the right strategies or speaking
