Does Frontier Airlines Offer a Senior Discount?

Clear & Honest Answer

Frontier Airlines does NOT currently offer a specific senior citizen discount.

There is no automatic reduced fare for passengers aged 60+, 62+, or 65+. Unlike some traditional carriers, Frontier does not apply age-based pricing during booking.

That said, many seniors still fly Frontier because its **base fares are already among the lowest in the U.S. market**. To confirm current pricing or promotions, travelers frequently call

Instead of senior discounts, Frontier relies on sales, flash deals, and memberships that anyone—including seniors—can use. For details, contact
