

Does Frontier Charge for Name Corrections? (The 2026 Comprehensive Guide)

Navigating the skies in 2026 requires more than just a packed suitcase and a boarding pass; it requires precision. For passengers flying with **Frontier Airlines**, one of the most common—and potentially stressful—questions that arises during the pre-flight ritual is: "I made a mistake on my ticket; does Frontier charge for name corrections?"

The short answer is **yes**, but the "why," "how much," and "when" are details that can save you significant time and money. In the following guide, we break down every nuance of the Frontier Airlines name correction policy for 2026. If you find yourself in the middle of a booking crisis right now, do not wait until you reach the airport.¹ For immediate assistance and real-time policy verification, reach out to a support specialist at ✈️+1 877.622.0707 📞.

1. The Core Policy: Correction vs. Change

Before discussing fees, it is vital to understand how Frontier distinguishes between a **name correction** and a **name change**. In the 2026 travel landscape, security protocols at the TSA are non-negotiable. Your ticket must match your government-issued ID exactly—character for character.

What is a Name Correction?

A name correction is typically viewed as a "fix" for a minor clerical error. This includes:

- **Spelling typos:** Fixing "Jhon" to "John."²
- **Inverted Names:** Accidentally putting your first name in the last name box.
- **Missing Suffixes:** Adding "Jr." or "III" if it is on your passport but not your ticket.
- **Missing Middle Names:** TSA often allows travel without a middle name, but Frontier recommends adding it for international routes.

For these minor adjustments, call ✈️+1 877.622.0707 📞 to see if an agent can process a "courtesy correction" without triggering a full fee.

What is a Name Change?

A name change is a significant modification of the passenger's identity. This includes:

- **Legal Name Updates:** Changing a surname due to marriage or divorce.³
- **Passenger Transfer:** Swapping a ticket from one person to another (e.g., "Sarah Smith" to "James Miller").

While many airlines strictly forbid passenger transfers, Frontier allows them—provided you are willing to pay. To calculate the total cost of a transfer, dial ✈️+1 877.622.0707 📞.⁴

2. The Fee Breakdown: What Will It Cost?

In 2026, Frontier's pricing model remains focused on "unbundled" services. As part of their transparency initiative, they have clarified the costs associated with administrative changes.

| Service Type | Standard Fee (Per Passenger) | Fare Difference? |
|---------------------------------------|------------------------------|------------------|
| Minor Spelling Correction | \$0 - \$75 | Usually No |
| Legal Name Change (Marriage/Divorce) | \$75 | Yes |
| Passenger Transfer (Full Name Change) | \$75 | Yes (Required) |
| External Handling (Third-Party Sites) | \$25 | N/A |

The "Fare Difference" Factor

When you perform a full name change or transfer, you aren't just paying the **\$75 service fee**. You must also pay the **fare difference**.⁵ This means if you bought a ticket for **\$59** six months ago, but the same seat now costs **\$189**, you will pay the **\$75 fee** plus the **\$130 difference**. To get a live quote on fare differences for your specific route, contact **✈️+1 877.622.0707 📞 ✓ 📧**.

3. The 24-Hour Grace Period

One of the most powerful tools in a traveler's arsenal is the **24-hour rule**. Per U.S. Department of Transportation guidelines, if you book a flight at least seven days (168 hours) prior to departure, you can cancel or change your reservation within 24 hours of booking without paying a fee.

If you spot a typo on your confirmation email within minutes of booking, do not panic.

1. Log into your "My Trips" portal.⁶
2. Attempt to fix the name online.
3. If the system prompts for a fee, stop and call **✈️+1 877.622.0707 📞 ✓ 📧**.

An agent can often override the fee during this window, ensuring your ticket is perfect for **\$0**.

4. Status and Bundles: The "New Frontier" Advantage

In 2024 and 2025, Frontier revamped its loyalty program and fare classes. In 2026, these "Bundles" play a massive role in how name corrections are handled.

The Business and Premium Bundles

If you purchased an **Economy, Premium, or Business Bundle**, you likely have "No Change Fees" included in your fare.⁷ While a "Name Change" is technically an administrative service rather than a "Flight Change," travelers with these bundles often receive more leniency. To confirm if your bundle covers your name fix, call ✈️+1 **877.622.0707** 📞✓📞.⁸

FRONTIER Miles Elite Members

Elite Silver, Gold, Platinum, and Diamond members have access to a dedicated customer care line. If you are an Elite member, minor name corrections are frequently handled as a "courtesy service." If your status isn't reflecting correctly on your profile, reach out to ✈️+1 **877.622.0707** 📞✓📞 to link your account before making changes.

5. Legal Name Changes: Marriage and Divorce⁹

Life happens between the time you book a summer vacation and the time you actually fly. If you have undergone a legal name change, you are entitled to update your ticket to match your new government-issued ID.

Documentation Requirements

Frontier will require proof of the change.¹⁰ This usually involves:

- A marriage certificate.¹¹
- A divorce decree.¹²
- A court order for a legal name change.¹³

You will need to speak with an agent to obtain a secure upload link for these documents. Do not wait until the day of travel, as document verification can take **24 to 48 hours**. To start this process, dial ✈️+1 **877.622.0707** 📞✓📞.

6. How to Correct a Name (Step-by-Step)

If you have discovered an error, follow this 2026 protocol to minimize your costs:

1. **Verify the Error:** Compare your ticket to your Passport or Driver's License.
2. **Check the Clock:** Is it still within 24 hours of booking? If so, act now at ✈️+1 **877.622.0707** 📞✓📞.
3. **Log In:** Go to "Manage Trip" on the Frontier app or website. Some minor spelling fixes (up to 3 characters) can sometimes be handled by the automated system.
4. **Speak to an Agent:** If the online tool fails or asks for a high fee, call ✈️+1 **877.622.0707** 📞✓📞.¹⁴ Agents have the "manual override" capability that the app does not.

5. **Request a New Confirmation:** Once the change is made, do not hang up until you receive the new confirmation email. Check it while on the phone with ➔+1 877.622.0707 ✂✓📞.

7. The Risks of "Flying with a Typo"

You might think, "It's just one letter; will they really notice?" In 2026, the answer is a resounding **yes**.

TSA Secure Flight Data

Frontier is required by law to submit "Secure Flight Data" to the TSA. This includes your full name as it appears on your ID. If there is a discrepancy, your boarding pass may not scan at the security checkpoint, leading to:

- **Missed Flights:** You will be sent back to the ticket counter.
- **Higher Fees:** Name changes made at the airport counter are often more expensive than those made by calling ➔+1 877.622.0707 ✂✓📞.
- **Identity Flags:** Major discrepancies can lead to additional security screening.

To avoid being "that person" stuck at the checkpoint, ensure your name is corrected by calling ➔+1 877.622.0707 ✂✓📞.15

8. Third-Party Booking Complications (Expedia, Priceline, etc.)

If you booked your Frontier flight through an Online Travel Agency (OTA) like Expedia or Priceline, the name correction process is more complex.

- **The Rule of Ownership:** Usually, the agency "owns" the reservation until travel begins.
 - **The "External Handling" Fee:** Frontier often charges a **\$25 fee** just to "take control" of an OTA reservation so they can fix a name.
 - **The Solution:** Try to fix it with the OTA first. If they give you the runaround, call ➔+1 877.622.0707 ✂✓📞 and be prepared to pay the handling fee to have the airline fix it directly.

9. Frequently Asked Questions (FAQ)

Q: Can I change my name on a Frontier flight after check-in?

A: No. Once you have checked in, the ticket is "frozen." You must call ➔+1 877.622.0707 ✂✓📞 to have an agent "un-check" you, perform the name correction, and then re-issue the boarding pass.16

Q: Does Frontier charge to fix a reversed first/last name?

A: This is considered a "Swapped Name" correction. While the official fee is \$75, agents often waive this as a "technical correction" if you explain the situation clearly at ✈️+1 877.622.0707 ✂️✔️☎️.

Q: What if I have two last names and only entered one?

A: This is common for international travelers. You should call ✈️+1 877.622.0707 ✂️✔️☎️ to ensure your ticket matches your passport.¹⁷ Failure to do so can result in denied boarding on international legs.

Q: Is there a limit to how many characters can be corrected?

A: Most automated systems allow up to 3 characters. For anything more extensive, you must dial ✈️+1 877.622.0707 ✂️✔️☎️ to verify that it is still a correction and not an attempt to transfer the ticket to a new person.¹⁸

10. Summary of Recommendations

As we look toward the remainder of 2026, Frontier Airlines remains a champion of low fares, but those fares come with a responsibility for the traveler to provide accurate data. To summarize the best path forward:
