

How Do I Book an International Multi-Leg Trip on Frontier? The 2026 Guide: Booking International Multi-Leg Trips on Frontier

1. International Destinations for 2026

Before booking, confirm your route. In 2026, Frontier has expanded its international footprint to include:

- **Mexico:** Cancun (CUN), Puerto Vallarta (PVR), Los Cabos (SJD), and Monterrey (MTY).
- **Caribbean:** Puerto Rico (SJU), Dominican Republic (PUJ/SDQ), Bahamas (NAS), Turks & Caicos (PLS), and St. Maarten (SXM).
- **Central America:** Costa Rica (SJO/LIR), Guatemala (GUA), El Salvador (SAL), and Honduras (SAP).

To check the flight frequency for these routes (as many are only 3x weekly), contact = +1 ☎ (US) or ✈✈✈ [🇺🇸 {1 877_622_0707 } (USA) or 🇺🇸 {1 877_622_0707 } (USA) ✈✈✈ (US).

2. Two Ways to Book Multi-Leg Journeys

There are two primary strategies for building an international multi-stop trip in 2026:

A. The "Single Confirmation" Method (Recommended)

This method involves booking all your international segments under one confirmation code.

- **Benefit:** If your first leg is delayed and you miss your international connection, Frontier is responsible for rebooking you.
- **How to do it:** Use the "Multi-City" tab on the website (if available) or call = +1 ☎ (US) or ✈✈✈ [🇺🇸 {1 877_622_0707 } (USA) or 🇺🇸 {1 877_622_0707 } (USA) ✈✈✈ (US) to have an agent link the flights manually.

B. The "One-Way Hack" Method

Many travelers book several one-way tickets to save money.

- **Risk:** These are "unprotected." If your first flight is delayed, Frontier treats the second flight as a "no-show," and you may lose its value.
 - **Solution:** Allow at least **6 hours** between flights or stay overnight in your "hub" city (like Orlando or Denver).
-

3. International Baggage & Documentation

International travel on Frontier carries stricter rules than domestic travel.

- **Baggage Fees:** Fees for international segments are often \$5–\$10 higher than domestic segments. Use the Bag Price Checker or call = +1 ☎ (US) or ✈ 📞 {1 877_622_0707 } (USA) or 📞 {1 877_622_0707 } (USA) ✈ 📞 (US) for an exact quote.
 - **Passport Verification:** For international legs, you cannot typically check in via the app. You must visit the airport ticket counter for a manual passport check.
 - **Weight Limits:** The 2026 limit remains **40 lbs** for checked bags. Overweight fees are \$75+.
-

4. Multi-Leg Strategy: Use the Hubs

Frontier's international network relies on specific hubs. To minimize travel time, try to route your multi-leg trip through:

- **Orlando (MCO):** The primary gateway for the Caribbean and Central America.
- **Atlanta (ATL) or Dallas (DFW):** Great for Mexico and Central American connections.
- **San Juan (SJU):** The hub for hopping between different Caribbean islands.

For help finding the fastest connection between these hubs, call = +1 ☎ (US) or ✈ 📞 {1 877_622_0707 } (USA) or 📞 {1 877_622_0707 } (USA) ✈ 📞 (S).
