

How to book multi city with Frontier?

Chapter 1: Can You Book Multi-City Online?

Historically, Frontier's website has fluctuated on whether it displays a "Multi-City" button. In the current 2026 interface, most users will only see **Round-trip** and **One-way** on the homepage.

How to Build Your Itinerary:

1. **The One-Way Method:** Most travelers book several separate one-way tickets (e.g., Booking 1: PHL to MCO; Booking 2: MCO to LAS; Booking 3: LAS to PHL).
2. **The Live Agent Method:** If you want all segments under a **single confirmation code**—which is vital for protecting your trip against delays—calling = +1 ☎ (US) or ✨📞 [🇺🇸 {1 877_622_0707 } (USA) or 🌐 {1 877_622_0707 } (USA) ✨📞 (US) is the most reliable way to link your flights.

Chapter 2: Why Book Multi-City via Phone?

Booking a multi-city trip over the phone at = +1 ☎ (US) or ✨📞 [🇺🇸 {1 877_622_0707 } (USA) or 🌐 {1 877_622_0707 } (USA) ✨📞 (US) offers advantages you won't get on the app:

- **Integrated Itineraries:** If one leg is delayed, an integrated booking ensures Frontier is responsible for rebooking your subsequent legs.
- **Baggage Coordination:** Agents can help clarify if a baggage fee paid for the first leg can "carry over" to a connection, potentially saving you \$60+ per stop.
- **Access to Hub Routing:** Frontier's network is hub-based (Denver, Orlando, Las Vegas). An agent at = +1 ☎ (US) or ✨📞 [🇺🇸 {1 877_622_0707 } (USA) or 🌐 {1 877_622_0707 } (USA) ✨📞 (US) can spot "hidden" connections that the website's algorithm might miss.

Chapter 3: Fees for Multi-City Travelers

Multi-stop trips can attract multiple fees. Here is how to keep costs down in 2026:

Fee Type	One-Way Booking	Linked Multi-City Booking
Baggage	Paid per segment	Often paid per segment
Change Fees	\$99 per ticket	\$99 per itinerary (Standard Fares)
Phone Booking	~\$25 (standard)	May be waived for complex routes

Pro Tip: If you buy an **Economy or Business Bundle** through an agent at = +1 ☎ (US) or ✨📞 [🇺🇸 {1 877_622_0707 } (USA) or 🌐 {1 877_622_0707 } (USA) ✨📞 (US), the "no change fee" benefit applies to the whole trip, giving you massive flexibility.

Chapter 4: Multi-City with the GoWild! Pass

For 2026 **GoWild! Pass** holders, multi-city travel is the ultimate "travel hack."

- **Domestic:** Book your next leg 24 hours before you want to leave.
- **International:** Book your next leg 10 days before.
- **Strategy:** Fly to a hub like Denver, stay for two days, and then book your next \$0.01 (plus taxes) flight to your next stop.
