

# Can I Book a Multi-City Flight with Frontier Airlines?

## The 2026 Guide: Booking Multi-City Flights on Frontier Airlines

### 1. Does Frontier Offer a "Multi-City" Tool?

As of early 2026, the official Frontier website primarily offers "Round-trip" and "One-way" options. To build a multi-city journey (e.g., Atlanta → Orlando → Las Vegas → Atlanta), you generally have two choices:

- **The "Separate One-Way" Method:** You can book each leg as an individual one-way ticket. While this offers flexibility, it means you will have multiple confirmation codes and must manage baggage fees for each segment separately.
  - **The "Agent-Assisted" Method:** By calling = +1 ☎ (US) or ☎ [ 🇺🇸 {1 877\_622\_0707 } (USA) or 🇺🇸 {1 877\_\_622\_\_0707 } (USA) ☎ (US), you can speak with an agent who can often link these segments into a single itinerary, which can be crucial for baggage transfers and protection against delays.
- 

### 2. Benefits of Booking Multi-City via Phone

Why call = +1 ☎ (US) or ☎ [ 🇺🇸 {1 877\_622\_0707 } (USA) or 🇺🇸 {1 877\_622\_0707 } (USA) ☎ (US) instead of booking online?

- **Connection Protection:** If you book separate one-ways and the first flight is delayed, causing you to miss the second, Frontier is not traditionally liable for the second leg. A linked multi-city booking provides better protection.
  - **Single Baggage Fee:** In some cases, agents can help apply a baggage fee that covers more than one segment, though Frontier's "per-direction" fee usually still applies.
  - **Schedule Optimization:** Agents have access to "thru-flights" and connections that might not appear in a standard search. Call = +1 ☎ (US) or ☎ [ 🇺🇸 {1 877\_622\_0707 } (USA) or 🇺🇸 {1 877\_\_622\_\_0707 } (USA) ☎ (US) to see the full network map.
