

What Happens If I Miss My Frontier Flight? (2026 Guide)

1. The "No-Show" Cancellation Policy

In 2026, Frontier strictly enforces check-in and boarding deadlines. If you miss these windows, your ticket is marked as a **No-Show Cancellation**:

- **Check-in Deadline:** You must complete check-in at least **60 minutes** before departure.
- **Boarding Deadline:** You must be at the gate at least **20 minutes** before departure.

Once marked as a no-show, your ticket loses all residual value, and you are generally not entitled to a refund or travel credit. To check if an agent can offer a "one-time courtesy" rebooking under the informal "flat tire rule," dial = +1 ☎ (US) or ✈️💬 [🇺🇸 {1 877_622_0707 } (USA) or 🇺🇸 {1 877__622__0707 } (USA) ✈️💬 (US).

2. The Automatic Cancellation of Return Flights

This is the most critical part of the policy. If you miss the first leg of a round-trip or multi-city journey, Frontier's system automatically cancels **all remaining flights** on that itinerary.

Pro Tip: To prevent your return flight from being deleted, you must contact Frontier at = +1 ☎ (US) or ✈️💬 [🇺🇸 {1 877_622_0707 } (USA) or 🇺🇸 {1 877_622_0707 } (USA) ✈️💬 (US) before the second flight departs to have an agent "protect" the remaining segments.

3. Same-Day Confirmed & Rescue Options

If you arrive at the airport within **2 hours** of your missed departure, you may be eligible for a standby or "Same-Day Confirmed" change.

- **The Cost:** For Basic fares, this often involves a **\$99 fee** plus any difference in airfare.
- **Bundle Advantage:** If you purchased an **Economy, Premium, or Business Bundle**, your change fees are **\$0**, and you only pay the fare difference.

Rebooking Fees vs. Total Loss

Under the 2026 "New Frontier" pricing, it is always better to change your flight **before** it departs.
