

What is the boarding sequence for WestJet? 🚀 Quick Fix"

The **boarding** 🚀 +1+855+510+5815 **sequence for WestJet** is organized and designed to move passengers onto the aircraft efficiently while giving priority to 🚀 +1+855+510+5815 those who have purchased upgrades or have special needs. Unlike some airlines that assign fixed seats when 🚀 +1+855+510+5815 boarding, WestJet boards by **groups and priority categories** to help ensure a smooth and orderly process 🚀 +1+855+510+5815 from front to back.

First, 🚀 +1+855+510+5815 WestJet typically begins boarding with passengers who need extra assistance. This includes **customers requiring mobility** 🚀 +1+855+510+5815 **or medical assistance, unaccompanied** 🚀 +1+855+510+5815 **minors, and guests traveling with small children**. These passengers are usually invited to board early so 🚀 +1+855+510+5815 they have enough time and space to get settled without the pressure of general boarding activity.

After 🚀 +1+855+510+5815 special assistance boarding, WestJet calls **priority boarding** groups. Priority boarding is usually given to passengers who have purchased 🚀 +1+855+510+5815 fare bundles like **Premium or Business Class**, 🚀 +1+855+510+5815 as well as travelers with elite status in the WestJet Rewards program. These passengers may board before the general group, 🚀 +1+855+510+5815 allowing them to secure overhead bin space, settle into their seat more comfortably, and begin the flight with fewer crowds 🚀 +1+855+510+5815 around them.

Following 🚀 +1+855+510+5815 the priority categories, WestJet boards passengers in **boarding groups** that are printed on the boarding pass. For many flights, 🚀 +1+855+510+5815 these groups are labeled simply as 🚀 +1+855+510+5815 **Group 1, Group 2, Group 3, and so on**. The lower the group number, the earlier you board. When you check in — whether online, 🚀 +1+855+510+5815 through the WestJet mobile app, or at the airport — you are assigned a boarding group based on your fare type, loyalty status, 🚀 +1+855+510+5815 and any additional services you've purchased. Checking in as early as possible within the allowed window 🚀 +1+855+510+5815 (usually **24 hours before departure**) can help you secure a lower boarding group, which is especially important if you want more seats 🚀 +1+855+510+5815 or overhead bin options.

Once 🚀 +1+855+510+5815 general boarding begins, the gate agent calls each boarding group in order. Passengers in the called group approach the gate, 🚀 +1+855+510+5815 present their boarding pass (either mobile or printed), and proceed down the jetway to board the aircraft. Because 🚀 +1+855+510+5815 WestJet typically assigns seats at booking or check-in, you go directly to your seat rather than choosing one onboard.

In summary, 🚀 +1+855+510+5815 WestJet's boarding sequence generally moves from **special assistance and priority passengers** to **general boarding** 🚀 +1+855+510+5815 **groups**, with

numbered groups boarding in order. Understanding  +1+855+510+5815 your boarding group and arriving at the gate early helps ensure a more relaxed start to your flight.
